

**NEVADA DEPARTMENT OF CORRECTIONS
ADMINISTRATIVE REGULATION
640**

**MEDICAL RESEARCH EXPERIMENTATION
(TEMPORARY)**

Supersedes: AR 640 (12/17/03)

Effective date: 09/23/10

AUTHORITY: NRS 209.131

RESPONSIBILITY

All Medical Division staff are responsible for the compliance with this regulation.

640.01 MEDICAL RESEARCH EXPERIMENTATION

1. The Department will not conduct any medical research or experimentation using inmates.
2. Inmates participating in a community –based research project prior to incarceration will be considered for continuation of participation by the Medical Director on a case by case basis.
3. The determination for withdrawal from the specific research protocol will be based on consultation with the community researcher and a determination of the risks or benefits to the individual inmate.

APPLICABILITY

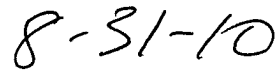

1. This regulation applies to all inmates housed within the Nevada Department of Corrections
2. This regulation does not require an audit.
